SUBSTITUTE TRAINING: Please see Cal Fire 4100 for substitute training policy. When documenting a substituted course on the Monthly Training Report Form, the apprentice MUST enter the JAC Code for the *required training* (in other words the course he/she has already taken). In the "Course Name" column of the form, enter the course name of the substituted training. **Example:** If an apprentice has already attended Instructor I and has been approved to substitute training, they will enter the code for Instructor I in the JAC code column and note in the "Course Name" column: Substituted with "name of course".
